Politicians love causing problems.
The only people who benefit from
alcohol fuelled violence are the
greedy professionals as usual,
and

Some relief would be in order
from the woeful journalistic
standards of the Daily Telegraph

It's about time someone told these
journalists the Daily Telegraph etc
are just wasting their time writing.
It suits Science to have them
causing problems and no one else.

If I had to shop I would
buy from Indian or Chinese
supermarkets (if they were cheaper)
rather than Coles or Woolworths.

To keep up with rising costs
I put every cent I can into
Term Deposits and the ANZ
Bank is about the worst bank I
deal with.
